3. Input the details such as expected outcomes, timeline, cost/budget, GAD Issue, CCET Code, etc. Make sure that the changes are saved by clicking anywhere within the page
4. Once completed, you may click the “X” button to return to the PPA page

Budgetary Requirements

1. Click the actions button and select Budgetary Requirements
2. The page will then display a message indicating that the amounts for Capital Outlay, MOOE, Personnel Services, and Financial Services in the Implementation Plan and Budgetary Requirements do not match. Adjust the Budgetary Requirements to ensure that the total for each category aligns with the corresponding amount specified in the Implementation Plan. Also, make sure to allocate for the GAD Attributed amount.

Description	Total Amount (from Implementation Plan)	Total Amount in Budgetary Requirements	Remarks
Capital Outlay	40,000.00	0.00	WARNING: Total capital outlay amount (of project) is not equal to total capital outlay amount in budgetary requirements! Add 40,000.00 to budgetary requirements
Maintenance and Other Operating Expenses	20,000.00	0.00	WARNING: Total MOOE amount (of project) is not equal to total MOOE amount in budgetary requirements! Add 20,000.00 to budgetary requirements
Personnel Services	10,000.00	0.00	WARNING: Total personnel services amount (of project) is not equal to total personnel services amount in budgetary requirements! Add 10,000.00 to budgetary requirements
Financial Expenses	30,000.00	0.00	WARNING: Total financial expenses amount (of project) is not equal to total financial expenses amount in budgetary requirements! Add 30,000.00 to budgetary requirements
Total Amount	100,000.00	0.00	WARNING: Total amount (of project) is not equal to total amount in budgetary requirements! Add 100,000.00 to budgetary requirements
GAD Attributed Amount	70,450.00	0.00	WARNING: Total GAD Attributed amount is not equal to Total GAD Attributed Budget! Add 70,450.00 to total GAD Amount in budgetary requirements

3. Once the total, category, and GAD attributed amounts in the implementation plans and budgetary requirements are equal, just click the X button and proceed to the next step.
